

# INFERIORITY

"For through the grace given to me I say to every man among you not to think more highly of himself than he ought to think; but to think so as to have sound judgment, as God has allotted to each a measure of faith."

(Romans 12:3, NASB)

You would think in a world increasingly intent on impressing others and holding inflated views of their own self-importance that the problem of inferiority would be diminishing. Not so! The number of people who have constructed an unhealthy, unbiblical, and un-fair sense of self is really big!

People feel inferior for any number of reasons (one being all of us recognize there will always be people better at something than we are), but almost all of them can be understood and arrested when they are exposed to the teaching of God's Word and its explanation of how great His love is for us, the manner in which He provides for us, and His offer of a life filled with significance and security.

We'd love the opportunity to spend some time with you and let you know just how loved you are...by God and by His people here at The Bridge! We will help you develop a realistic self-appraisal, helping you to both know and accept yourself as someone created in the likeness of God, AND who has gifts, talents and abilities endowed by God to further His Kingdom and bless others.
